

Acme Corporation — FY2025 Results

Annual report · prepared for the board of directors

Executive summary

Revenue grew across all three regions in fiscal year 2025, led by strong demand in EMEA and a recovery in the Americas. Operating margin expanded as cost-of-goods efficiencies offset higher logistics spend.

Revenue by region

Region	FY2024 (\$M)	FY2025 (\$M)	Growth
Americas	412	468	+13.6%
EMEA	305	389	+27.5%
APAC	198	221	+11.6%
Total	915	1078	+17.8%

Operating metrics

The table below summarizes the key operating metrics tracked by management.

Metric	FY2024	FY2025
Gross margin	41.2%	43.8%
Operating margin	12.4%	15.1%
Headcount	3,140	3,402
